Dear Sir:-

Re Southeast Quarter Sec. 24-34-22-W 5th.

In reply to your letter of February 28th addressed to Mr. E. J. Crowe, and forwarded to me, I herewith enclose medical certificate from Dr. H. H. Gourlay of this city, which explains the nature of my illness and my inability to perform the necessary improvements on the above-mentioned land. I may also state that owing to my illness and expenses connected therewith, I am in no condition financially at the present time to pay for having the work done.

I trust, therefore, that the enclosed certificate will be sufficient to enable you to give a decision favorable to my application for a patent.

Yours very truly,

MEMORANDUM.

Mr. Hume.

S.E.¼ of 24-84-20 W. 5th M.
Hmtd. Pte. Henry Wilson.

Date of entry. 10th October 1913.

This case is submitted for further consideration in connection with Mr. Wilson's application to be given patent for his homestead without the performance of further cultivation duties, on account of disability incurred while on active service.

Mr. Wilson enlisted with the 66th Battalion at Edmonton on the 26th of July 1915 and was discharged the 17th of May 1916, thereby completing his residence in the performance of military duties.

There is a statement on file from Mr. Wilson dated the 12th of January 1919, showing that in addition to his military duties, he lived on his homestead seven months in 1914 and five months in 1915. He broke 2 acres and built two houses, both houses being destroyed by fire.

The official medical report dated the 9th of July 1918 is as follows:-

" Original disease or disability-G.S.W.
"Shrapnel.
" Date of origin- 1. Sep. 26-16.
" 2. Consential.
" Place of origin- Somme- France.
" Cause- 1. G.S.W. Wound.
" 2. Congenital.

" Present disease or disability-
" 1. Partial loss of power left hand.
" 2. Defective vision.

" Present condition- (1) for defective
"vision see specialists report attached.
" (2) Was wounded in
"left hand Sept. 1916 with a shrapnel ball. Bullet
"entered at the base of the thumb fractured the
"metacarpal bone. The wound is now perfectly
"healed but there is atrophy of the whole hand.

-The-

"The thumb is permanently inverted into the palm
"of the hand. He has movements of the thumb in
"every direction but limited on flexion at the ter-
"minal joint. He has about half the power of grip
"and says that he is unable to carry anything
"heavy. It is very difficult to raise anything in
"hand when he used his thumb. He looks rather
"pale and anaemic. Heart and Lungs normal. Rather
"poor physique. Incapacity due to 1. Defective
"vision. 2. Weakness left hand.

" His former trade or occupation can be
"resumed.

" The Board recommend that he be discharged
"as Medically unfit. Category "D". "

The case was submitted in Mr. Thompson's memorandum of the 17th of July last and was approved by the Deputy Minister that the entrant should break and crop 20 acres in one season before patent could issue.

On behalf of Mr. Wilson, a Mr. Matthews addressed a letter to J. J. Crowe M.P., which was dealt with on the 25th ultimo. In this letter Mr. Matthews protests on behalf of Mr. Wilson against the decision of the Department and claims that something better should be done.

In a communication dated the 17th of February 1919, written from Vancouver, Mr. Wilson sets forth that he is not in a position either physically or financially to break an additional 20 acres, and that he has been compelled to give up work with the W. H. Malkin Company, Wholesale Grocers, on account of frequent attacks of bronchal asthma and general weakness contracted while serving at the front, and asks for further consideration in the matter of obtaining patent without further cultivation duties.

In view of these representations, the entrant was asked to submit a medical certificate showing his present physical condition. This certificate dated the 14th instant accompanied the communication from Mr. Wilson, addressed to Mr. Mitchell. The medical certificate is as follows:-

"This is to certify that Henry Wilson has been
"under my care suffering from Bronchal Asthma,
"and is medically unfit to go on land and do
"heavy work at present time.
(S'D) H.B. Lourley, M.D. "

It would seem from the evidence produced that the entrant is not in a condition, physically or financially, to complete the cultivation duties on his homestead, and it is suggested that his case receive lenient consideration.

DOMINION LANDS BRANCH
JAN 5 1929

OTTAWA, 20th September, 1928.

Sir,-

N.E. ¼ Sec. 6 Tp. 64 Rge. 23 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Samuel or (Samual) Blair Spoors, Esq.,
Derryvale,
Alberta.

OTTAWA,

Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the present session of Parliament an amendment to the Dominion Lands Act was passed granting to settlers, who had obtained patent, or who may become entitled thereto on or before the 31st January, 1919, the right to take a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any unappropriated and available quarter section of Dominion Lands open to such entry, provided he is aware of no reason to the contrary.

I may further inform you that the matter of an unpatented pre-emption or purchased homestead entry will not be permitted to be cancelled under the above in his own favour or in favour of a relative for the purpose of obtaining entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Mr. Home.

Re N. E. 4-9-59-17-W. 4th M.

Mr. A.J. Caron obtained entry for the above descrited land on February 3rd, 1914.

Cancellation proceedings were instituted on February 10th, on the grounds that entrant was not seventeen years of age when he obtained entry.

The Homestead Inspector's report which was called for is now to hand and is as follows:

"Homesteader in residence. He is building a house, not quite completed, value $35.00.

I had to get an interpreter to get them to understand, as I am satisfied they thought they were doing right by filing so as to hold the land, as he said some of his neighbours boys held land till they were eighteen. I explained to him through the interpreter what he had to do. This is a good settler and would recommend to Department to allow them to hold the land till the boy was eighteen. They are honest and straight people, only cant understand English."

A declaration from the parents reads as follows:

"We do solemnly declare that we are the parents of the entrant, Adelard J. Caron, who filed on the N.E. 4-9-59-17-W.4. about the 6th March, 1914, and that my son was born on the 27th Sept. 1896, and we thought

As I have previously stated the Certificate of Birth shows without question that Mr. Garon, Jr., will not be entitled to a homestead entry prior to the 27th September next. He is now eligible to apply for the reservation of the land should it be decided to give him still another opportunity.

As the age of the entrant has been misrepresented on no less than two occasions it would seem like a miscarriage of justice to show the family further consideration.

The only improvement on the land in April last was a log house valued at $35.00, although the Inspector stated that Mr. Garon was occupied in erecting a house of a more suitable character. He may have done so and also made additional improvements, but as the residence is being performed with the entrant's father in the vicinity, I presume the case can be dealt with without a further report by the Homestead Inspector.

Commissioner decided that as the entry was illegal it would have to be cancelled, but that the young man might apply for the reservation of the Quarter section under the Regulations respecting "Minors." The necessary action giving effect to this decision was carried out.

On the 10th June, 1914, the usual form of application by a minor for the reservation was made and duly noted in the records of the Department.

On the 9th October Mr. Damien Cloutier executed a Statutory Declaration to the effect that Adelard J. Garon was only seventeen years of age on the 7th September, 1914.

The Agent had already granted the young man entry ~~for certain time~~ and therefore asked to call upon him for the submission of a Certificate of Birth.

M. Chartrand, Parish Priest of Pichariville, Alberta, wrote under date of the 11th December last, on behalf of the Garons, stating that Mr. Garon, sr., was a poor man and a pioneer of the district and for this and various other reasons asked for favourable consideration on behalf of the younger Garon.

Homestead of Aleard Garon.
Entry granted 26th October, 1914.

This case has reference to the securing entry.

In making entry for the land Mr. Garon claimed to be eighteen years of age. A certificate of Birth, translation of which will be found underneath, has been submitted showing that Mr. Garon was born on the 27th September, 1897, which would mean that he was only seventeen years of age on the 27th September, 1914.

There is no reason to doubt the authenticity of this document and under the circumstances the entry should be cancelled as being illegal.

Before deciding whether or not this man is entitled to consideration the matter of re-entry it would be well to note that this is the second entry he has held for this land, the first entry having been cancelled on the same grounds.

This first entry was made on the 5th February, 1914, at which time Mr. Garon claimed to be eighteen years of age.

Mr. Lamier Cloutier applied for inspection, on the grounds of non-eligibility on the 26th February, 1914; consideration proceedings being instituted on the 24th of that month.

A Homestead Inspector was instructed to report in the matter of the complaint and Inspector Hagen on the 9th April last, reported as follows:-

As the reservation made in June 1914 and the entry made in Oct 1914, one both made when Mr. was under the age of the homesteader in securing age, they are null and void and the entry shd be cancelled.

The Secretary,
Department of the Interior,
Ottawa, Ont.

Dear Sir,

In 1902 Mr Howell Harris endeavoured to purchase from the Canadian Pacific Railway all of section thirty-three (33) in township twelve (12) range twelve (12) west 4th meridian. That Company sold him finally all of that portion of the section south of Bow River excepting the northwest quarter which they stated they had been requested by the Department of the Interior to not dispose of as the same was required for stock-watering purposes, but we were informed by Mr Griffen, then Land Commissioner for the C.P.R. that if it were at any time freed by the Department Mr Harris would be allowed to purchase same. Mr Harris accordingly went into occupation of all the land, and it being a question of fencing ran his fence to the river, which took in the whole of the north-west quarter south of the river. Mr Harris is still in possession of this northwest quarter but is anxious to make his title good. By his instructions we recently renewed the application to the C.P.R. as Mr Harris said the stock-watering reservations had all been abolished, and we are now informed by that Company that, having gone into their records, they find that in the final settlements with the Government this quarter-section was not patented to the Company. It is probable therefore that it is still the property of the Government, and if so Mr Harris would ask for the privilege of purchasing same.

C/V.

Yours truly,
Conybeare, Church & McArthur.

Would it not, however, be possible for you to send notice to Mr. Howell Harris personally when the land is put up for sale, as, living on his ranch, he would very likely not see the advertisement and so far as we are concerned, the description of the land would not be ever present in our mind, and even if we should see an advertisement of lands for stock watering purposes, we might not recognize the advertisement covered any lands in which any of our clients were interested.

Sir:

I beg to refer you to Departmental letter of the 20th of August, 1926, authorizing you to reserve certain lands adjoining the land holdings of the Canadian Land and Irrigation Company.

The Department has now decided to withdraw this reservation and lease the available parcels to the holders of grazing permits on the adjoining lands owned by the Company, subject to a special clause to be inserted in each lease providing for its termination when the lessee ceases to hold, under grazing permit, the adjoining lands of the Canadian Land and Irrigation Company.

The applicants for these areas in question will be required to produce satisfactory evidence that they hold the adjoining lands under grazing permit.

On the attached list I am furnishing you with the standings of these lands according to Departmental records. Kindly check these standings with your records and report to the Department when such action has been taken, furnishing full particulars in the case of any discrepancies.

Kindly advise Mr. Walter P. McCarley, Vauxhall, Alberta, of this decision, as well as any others who may have inquired at your office regarding this land.

I beg to refer you to the letter sent you by the Superintendent of the Ordnance Lands Branch of this Department under date of the 21st ultimo and to your reply of the 24th idem.

I am to call your attention to the fact that in the general check of records you reported the W.½ of L.S. 5 and L.S. 12 of section 15 as reserved for the Canadian Pacific Railway for townsite purposes.

Kindly advise if this notation has been removed from these two legal sub-divisions in view of the information contained in the letter sent you on the 21st ultimo.

Russians stole my fences, fittings out of the shack and wood letting my stock out of the pasture until my homestead was a liability not an asset. I declared my intention of growing up with stock at the time of filing, performed the work, paid the fees, and for three years maintained the necessary amount of stock before I was finally starved out.

Memorandum:

OTTAWA - [illegible]

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Joseph P. Soulsby,
S.W.¼ 4 [illegible]-19 W.4th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the [illegible] August, 19[illegible], the settler secured advances from the Board totalling $7590.40, as follows: land purchase, $[illegible]00.00; permanent improvements, $[illegible]43.71; stock and equipment, $1[illegible]26.71; special advances, $775.98. As security the Board holds a charge on the settler's homestead. The Board holds no additional security as the N.W.¼ 5-[illegible]-19 W.4th M., which was purchased has been resold.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 4th November, 19[illegible].

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. He is not residing on the land and his loan is in adjustment. When a purchaser has been found for the property, it will be sold and the proceeds applied in reduction of the settler's indebtedness to the Board.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 4-[illegible]-19 W.4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to section 26 of the Soldier Settlement Act, as $3632.58 of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

Sir,-

[redacted] W.5. Sec. [redacted] Tp. 74 Rge. 17 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, [redacted], the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

S.W. ¼ Sec. 22 Tp. 35 Rge. 7 West 5 Mer.

Referring to your application for the privilege taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re-T.M. Hunt. S.½ 27-59-7 W. 4th M.

Dear Sir,-

The above named ex-soldier filed on the South ½ 27-59-7 W. 4th in April 1914. He lived on this half section until June 27th, 1916, and later enlisted during that year. Mr. Hunt was discharged on May 12th, 1918, Being found medically unfit, he was sent to take a course of retraining in Calgary which lasted from November 1918 to April, 1920. It appears that cancellation has been placed against his homestead. Mr. Hunt considers that cancellation proceedings should be set aside on the grounds of his service overseas and his consequent inability to again live on the homestead during the time he was retraining in Calgary.

I am attaching a Statutory Declaration in support of his statement and I would appreciate it if you would review his case as it would appear that Mr. Hunt has been unfairly dealt with in the cancellation proceedings entered against him. I understand that your Department has always taken into consideration the fact of a man's overseas service, together with any disability consequent upon that service. Your kind attention to this matter will be appreciated.

Yours truly,

G.M. Hunt.

For Dominion Secretary-Treasurer,
G.W.V.A. of Canada.
